Other	21	575	592	562
No Response**	4	*	*	*

**NOTE:** Racial / ethnic group designation is self reported information. The number of students tested by ethnic group does not equal the total number tested, because some students do not indicate an ethnic code on their test registration. In addition, some students indicate an “other” designation.

\*Mean scores are reported when there are five or more test-takers.

\*\*No Response indicates that students did not answer that question, did not complete the SAT Questionnaire, or stated that they did not wish to answer that question on their SAT Questionnaire.
