**CLASS INCLUDES:**

1. **30 HOURS OF CLASSROOM TIME.**

2. **6 HOURS OF ON-ROAD DRIVING.** Street driving is NOT done during the classroom times. Street driving does not begin until the student has completed class, turned 15 and obtained a permit. Student will be assigned a driving instructor when classroom time is completed and Student will be provided name and contact information, either in class or via text, e mail or phone call. Instructors drive students throughout the year and will make arrangements to meet Student in a mutually convenient location. Weekend appointments are available, and usually are divided into two 3 hour sessions or three 2 hour sessions. It is recommended that the student spend as much time driving with a parent after he/she receives a permit so that the 6 hours with the instructor is spent on improving skills and doing around town and highway driving.

**IF YOU WOULD LIKE CONFIRMATION OF ENROLLMENT, ENCLOSE A SELF-ADDRESSED, STAMPED ENVELOPE**
