

PIN's mission is to provide informative local and national speakers on topics relevant to current parenting and youth-related issues and to provide a forum for parents to connect and create a caring community.

PIN needs you, you need PIN!

Parent Information Network (PIN) is a tradition that has served the broader CCSD community for more than 35 years. This parent-led group provides free monthly presentations by local and nationally-recognized speakers, authors, and subject-matter experts on issues related to parenting and kids. Our board members benefit from being part of a close community, as well as from developing leadership and professional skills, getting involved in activities at the district level, and helping families in the CCSD community.

We'd like to invite you to get to know PIN by joining us at our January 17 Board Meeting:

Tuesday 1/17 at 9:15 a.m.

Educational Support Services Building (ESC), Room 260

(next to Cherry Creek High School)

4700 S. Yosemite Street, Greenwood Village, CO 80111

Please contact PIN Chairperson, Kim Garrity, by phone (303-808-7638) or email (kgarrity@comcast.net) if you'll be able to attend or have questions about PIN. As our children move from elementary school to middle and then high school, PIN offers a way to stay involved. We hope to see you on the 17th!
